Hair Talk with JoJo the hair care expert

Q. JoJo I will be doing my own hair during the winter. What products would you suggest for virgin hair press and curl?

A. Design Essentials Almond & Avocado sulfate

free shampoo and conditioner would be a good starting point. Hydrating almond and avocado oils moisturize, soften and detangle virgin hair

very well. The conditioner is great for hydrating and softening our dry hair during these cold Michigan winters. Q. I moved to Michigan from Virginia, and my stylist used a shampoo that had Rosemary and carbon in it. I loved the way it opened up my scalp and tamed my flakiness. I don't know the name of it, and when I went to the beauty supply store I couldn't

find anything like that. Do you have any idea what it could be and where I could purchase it?

A. It sounds like "It's Natural rosemary carbon shampoo by Influence. This premium formula is sulfate free, anti-fungal and is the ultimate spa experience for your hair and scalp. The carbon will exfoliate the scalp while the rosemary stimulates hair growth. The DHT blockers will help against thinning hair. This product isn't sold at beauty supply stores but you can purchase it at Terry's Place.

Q. JoJo will these tariffs make the wig prices go up?

A. They probably will. My guess is that everything will be impacted in some way. We are already experiencing delays in our overseas shipping, which accounts for most of our wigs and hair products these days. Terry's Place Wigs is having a pre-Holiday Blowout clearance sale on wigs to make sure our ladies will be looking fly for the Holidays.

Terry's Place Wigs is open Tue-Sat from 10:00-5:30. Personalized wig service is available between 10:00-2:00 Tue-Fri and 12:00-5:00 on Sat.

When your hair is on your mind, drop JoJo a line or hit me up on Facebook Terry's Wigs or Instagram. Email joelpantner1@aol.com or stop by Terry's Place at 19139 Livernois Ave., Detroit, Mich. 48221. Please call (313)863-4014.

Sport Clips Haircuts launches Annual "Help A Hero" Campaign to raise \$1.35 million for Veteran scholarships

PRNewswire/ -- Sport Clips Haircuts launched its 2025 "Help A Hero" scholarship campaign in partnership with the Veterans of Foreign Wars of the United States (VFW). The campaign runs through Nov. 15 and aims to raise \$1.35 million to fund the nation's largest scholarship initiative of its kind for military veterans and service members.

During the promotion, anyone can support the scholarship program by donating during a Sport Clips visit. On Nov. 11, Veterans Day, participating Sport Clips locations offered free haircuts to veterans and active-duty service members in what it considers the "biggest haircut day of the year" honoring veterans. More than 80 percent of the funds raised each year come directly from generous clients, with the balance coming from Sport Clips' suppliers and product partners.

The VFW's "Sport Clips Help A Hero Scholarship" program was established in 2013 as a direct response to the growing need for veteran education funding that extends beyond the benefits of the GI Bill. Since its inception in 2013, the program has awarded more than 3,350 scholarships totaling more than \$15 million, providing vital educational assistance to veterans as they transition from military service to civilian careers.

"As an Air Force veteran, I know firsthand the challenges that come with transitioning from military to civilian life," said Gordon Logan, founder and chairman of Sport Clips, and VFW Life member. "It is our privilege to stand beside those who have served our nation and, through Help A Hero Scholarships, ensure they have access to the resources needed to thrive beyond their military service."

"Sport Clips' annual Help A Hero

campaign is a testament to the power of community, providing a life-changing opportunity for veterans transitioning to civilian life," said VFW National Commander Carol Whitmore. "The Help A Hero Scholarship is a crucial lifeline, empowering them to earn a degree or skilled trade without the burden of student loans, ultimately helping them secure a successful career. The VFW is excited to show our support and open the door to better futures for thousands of veterans and their families."

Help A Hero Scholarships provide up to \$5,000 per semester to help cover tuition and fees. Veterans from all branches with a rank of E-5 and below are eligible, with funds sent directly to the educational institution of their choice.
