### A New Year, A fresh start: Exciting free Career training programs for women in 2024

PRNewswire/ -- As the New Year brings fresh beginnings, Fresh Start, a non-profit that empowers women to succeed, is celebrating the success of its career training programs in 2023 and offering exciting opportunities in 2024.

Serving women for more than 30 years, the launch of Fresh Start's Impact Program in 2022 expanded the organization's education, training, and career placement programs. The goal is to help women gain in-demand job skills in the fastest-growing sectors of Arizona's economy, empowering women to self-sufficiency, and growth in their earnings and career over time.

Fresh Start partners with educational institutions and employers to provide free career training opportunities. Women work with education advisors to choose a career path that aligns with their goals, and receive career and resume assistance, and direct access to potential employers.

#### Women in Finance

Fresh Start's Women in Finance program is designed for women interested in pursuing a career in banking and finance. The program is 6 weeks long and open to all women, regardless of their prior experience in the field.
